**FUN**TREPRENEURSHIP  
PROGRAMME!

# WHAT WILL BE GOING ON?

One or two weeks of exciting and FUNtrepreneurship training programme.

## WEEK 1

### Real show-how!

**Creative workshops, visits from successful entrepreneurs, fun activities, networking and socializing.** You will spend small part of the day in the classroom with top experts and majority of the day outside the classroom where real business is going on!

We will encourage your business mind-set, strengthen team spirit, you will generate business ideas, develop prototypes, learn how to raise capital, how to get crowdfunding, you will train how to communicate with audience and win investors with superb elevator pitches.

## WEEK 2

**5 days - 5 TOP Slovenian companies - 5 real business challenges.**

You will learn on real case studies. Then the real fun begins! We will visit 5 successful companies and each day you will be facing a new business challenge. You will learn from the best and search the best business solutions that managers will evaluate and reward. Do you dare to take this challenge?
