

IT Audit Intern (m/f)

As an IT Audit Intern, you will get an inside look at the people, methods and technologies while working inside a large international firm. You will work as a team member for the public and private sector clients on IT audit projects related to following areas:

- ▶ Review **IT General controls** (ITGC) including Change management, Access Management and IT Operations in order to support Financial Audit.
- ▶ Perform **Tests of Controls** to assess compliance with international standards, national regulation and existing procedures.
- ▶ Assess **compliance** with international IT standards and national regulation.
- ▶ Prepare IT audit **reports** based on reviewed current state and identified findings.

To qualify for the role you must have:

- ▶ Regular student status at some technical faculty or economics, and ability to obtain student contract for a longer period of time (up to 6 months)
- ▶ Interest for gaining technical knowledge, especially in application technologies and business solutions

- ▶ Fluent written and spoken English and Croatian
- ▶ Hard working, problem solving capabilities, „can do” attitude
- ▶ Availability to work at least part-time
- ▶ Any working experience or student jobs are considered as an advantage

What working at EY offers

- ▶ Working with bright, friendly and energetic team
- ▶ Support, coaching and feedback from some of the most engaging colleagues around
- ▶ Opportunities to develop new skills and progress your career
- ▶ Opportunity to work in an international environment with the most successful companies
- ▶ Wide range of social, fun activities

Working location: Zagreb, Croatia
