

No experience ... **needed!**

Just a desire ... **to learn and WIN!**

Did you know? Today, 96 of the world's top 100 banks, 23 of the 25 top US retailers, and 9 out of 10 of the world's largest insurance companies run **IBM z Systems™ mainframe**.

Why? Security, reliability and it contains the world's fastest microprocessor!

Over 80% of participants in the MTM contest have found meaningful employment in enterprise computing immediately after graduation.*

How does the Contest Work?

Part 1: Breaking the Ice. Get an introduction to basic concepts, learn how to navigate the user interface, and become more comfortable with the technology and IBM Bluemix.

Part 2: Practical Experience. Engage in application development in multiple operating systems using C, Java™, COBOL, assembler, REXX™, Linux® on z Systems, z/VM®, z/OS®, z/TPF and more.

Part 3: Real-world Challenge. Use your creativity and z skills to solve a more advanced real life business/technical challenge.

Registration is **OPEN**,
the contest has **STARTED!**
→ End of contest: 31.12.2016.
